Bachelor of Computer Application

About Me   Education   Projects   Skills   Contact

About Me

I am a passionate computer science major with a strong interest in software development. I love solving complex problems and learning new technologies.

Education

College Name

Bachelor of Science in Computer Science
Graduation Year: 20XX

Projects

Project 1

Description of Project 1. Lorem ipsum dolor sit amet, consectetur adipiscing elit.

Project 2

Description of Project 2. Duis aute irure dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur.

Programming Languages: Java, Python, C++

Web Development: HTML, CSS, JavaScript

Database: MySQL, MongoDB

About Me

————

My name is Subash, and I am a college student with a passion for web development and design. I have a strong background in HTML, CSS, and JavaScript, and I'm constantly learning and improving my skills to create beautiful and functional websites.

Achievements

————

Intern at XYZ Company

I completed a summer internship at XYZ Company, where I worked on a team to develop a new web application. I gained valuable experience in front-end development and learned about best practices for creating user-friendly interfaces.

Web Design Competition Winner

I participated in a web design competition and won first place. My winning design showcased my creativity and attention to detail in creating visually stunning websites.

Programming Club President

I served as the president of my college's programming club, where I organized coding workshops, hackathons, and coding competitions. It was a great experience to lead and inspire other students in their coding journey.
